## TREATMENTS

### **MicroPhototherapy**

**135**

Uses both light and heat energy to affect the dermis of the skin. This treatment is virtually painless and is used to help stimulate collagen, increase elasticity, lighten pigment (sun damage and acne scars) and help reduce fine lines. Skin will feel tighter and look brighter immediately after 1tx. Series of 8 txs recommended for best results

### **Microdermabrasion**

**Add on +50**

**95**

This treatment is great for anyone wanting to revitalize their skin. Helps treat skin imperfections, fine lines, wrinkles, acne scarring, large pores and skin discolorations.

### **Chemical Peel**

**60**

A combination of chemical and natural ingredients accelerates the removal of surface skin cells to reveal softer, smoother, healthier looking skin.

### **Herbal Peel**

**125**

An organic alternative to a chemical peel. This intense, exfoliating peel resurfaces and restores your skin's youthful beauty.

### **UltraSonic**

**135**

Gently tightens and tones the muscles while smoothing the appearance of fine lines and wrinkles. For best results a series of treatments is recommended.

### **Led (Light Therapy)**

**Add on +25**

**50**

A safe and effective light treatment that renews and refreshes the look of your skin. May reduce and even reverse the effects of aging and sun damage by regenerating at the cellular level.

### **Therapeutic Masques: VitaC, Stem Cell, Bleaching, Mineral**

**Eye Masque**

**Add on +10**

**Neck & Décolleté**

**Add on +30**

**Face Masque**

**Add on +25**
